INT. CHUCK'S HIDEOUT - LIVING ROOM

We see the Oracle wiping chili off of his hand. Sonic is still sitting across from him.

SONIC (V.O.)

Sorry I spat the chili on ya,
Orc. Wow, a brother and a
sister. How will I find them? And
where are they?

ORACLE

They're close. You have a friend
who's helping you out to find them.

SONIC

A friend. Who?

ORACLE

Two-tailed kitsune.

SONIC

You mean Tails?

ORACLE

That's right. He told your brother
and sister about the three of you
while I told you about them.

SONIC

Come again?

ORACLE

Never mind.

SONIC

So, let's say I see them. How will
I know that's them?

ORACLE

Easy. You're a triplet. You three
look a lot alike. You're sister's
purple and your brother's green.
That's basically it. You three
look alike, so you would know that
they're them. And you also have a
mother.

SONIC

I have a mom, too?

ORACLE

Yes, but you're not allowed to meet her. You can meet your siblings, but your mother stays in hiding until the time is right for the four of you to reunite. When you do, you will become the Council of Four. On that day, you'll overthrow Robotnik and restore peace to the planet.

SONIC

Okay, I'll hold out on her, but where should I meet my siblings?

ORACLE

Do what you feel is your love between all of you, and they'll come to you.

With that, the Oracle slowly vanishes.

WIDER

We see the table vanish as well, but the plate of chili dog's stay with Sonic.

SONIC

Whoa, whoa, whoa! What does that mean? Do what I love? What do I love to do that they might love to do?

Sonic looks down at his feet to see the chili dogs.

SONIC (CONT'D)

No, they might not enjoy chili dog's like me. Hmm, no one is as fast as me.

Sonic's medallion GLOWS.

SONIC (CONT'D)

Whoa, my medallion. Wait! Music! That's it! A lot of people love music, maybe they do too!

DISSOLVE TO.

EXT. ALLEY - ROBOTROPOLICE - NIGHT

Two SWAT Bots walk while on alley patrol. Once they walk off frame, PUSH IN deep in the alley.

We see Aleena hiding behind a trash box with a laser rifle. She looks out and notices something.

ALEENA'S P.O.V.

We see that a SWAT Bot is opening a lid to one of the bot factory entrances.

ON ALEENA

Aleena puts down her lazer rifle and picks up a different lazer rifle but with a scope. She puts her eye behind the scope as she holds the rifle in a firing position.

ON BOT

The bot fully opens the lid and it began to climb out.

ON ALEENA

Aleena pulls the trigger on her laser rifle.

ON BOT

The bot falls backward with a hole in it's chest.

Another bot comes out if the lid and fires lasers toward Aleena.

ON ALEENA

Aleena dodges the blasts as she pulls out her L-16A2 lazer rifle. She rolls and lays flat on her stomach behind some wooden boxes and fires her lazer rifle.

ON BOT

The bot shakes as it is pushed backwards.

ON ALEENA

The CAM is behind Aleena as she gets up and runs to the hole.

Aleena pulls out a strange looking box-like thing. She pulls the pin and throws it in the hole.

FADE IN.

INT. MAIN ROOM - ROBOTROPOLICE MAIN BUILDING - NIGHT

Sleet and Dingo are watching the monitors of Sonic running through the force field.

SLEET

Replay. How can anything go that fast?

DINGO

Uh, it slows down when it hits that red thing.

SLEET

Well, well, well. Once in a while, you do come up with something.

They replay the video and watch. Sonic hits the force field.

SLEET (CONT'D)

Advanced to point of contact. Freeze frame and enlarge.

ON SCREEN

We see a faint image of Sonic.

SLEET

Well, what do you know, it's not a machine!

Sleet types on a keypad as a list of animals flash on the screen. Finally, it arrives to a picture of Sonic.

ROBOTNIK (V.O.)

A hedgehog?

Sleet and Dingo turn around to see Robotnik.

ROBOTNIK

It's a blasted hedgehog?!

SLEET

Yes, sir. Would you like us to—

ROBOTNIK

(interrupts)

No! Dismissed!

SLEET

But, sir—

ROBOTNIK
(yells)
Dismissed!

Sleet and Dingo walks out of the room leaving Robotnik along. He looks at the picture in fear.

ROBOTNIK (CONT'D)
Could it be them? Because if it
is... the prophecy!

Robotnik presses a button and a hologram video shows of Robotnik in his bedroom with the Oracle from earlier.

ORACLE
Robotnik, your days of terror and
tyranny are numbered.

Robotnik turns around to press a button.

ROBOTNIK
Guards! Argh!

Before Robotnik could hit the button, the Oracle covers him with magic making Robotnik immobile.

ORACLE
You will listen! One day, Queen
Aleena and her children will
reunite to form the Council of
Four. On that day, your rein of
tyranny will come to an end!

ROBOTNIK
What does that mean?

ORACLE
It means that Queen Aleena has
separated her three children and
went into hiding. One day, all
four will reunite. On that day,
your ruling will end.

ROBOTNIK
No! You're lying.

ORACLE
Would I be lying if I did this!

Instantly, Robotnik yells in pain as he holds his gut. The Oracle just stands there and smiles seeing Robotnik quiver in pain. Then the hologram video goes to static.

ROBOTNIK

Hmm...

Robotnik turns around and looks at another screen.

ON SCREEN

We see a very cute picture of queen Aleena with all three of her children as 1-year-olds in diapers.

ON ROBOTNIK

ROBOTNIK (CONT'D)

They're still out there!

The two continue to walk off.

Tails slowly slips out of the shadows and runs away.

INT. CLUB

Sonic tuned his guitar and Manic walks on the stage.

Aleena is lying on the floor of the parking garage. She opens her eyes and gets up.

WIDER

We see that Aleena is surrounded by four SWAT Bots, all pointing their lasers at them.

ALEENA

Well, well, well, we have a metal squad. Problem is, metal is so reflective, it's dumb.

SWAT BOT

You are under arrest.

ALEENA

For what?

SWAT BOT

Innocence is against the law.

Aleena walks right up to a bot and gets right in its face.

ALEENA

I guess it's under the order of Doctor Ro-BUTT-nik, is it not?

The bot just stands there.

ALEENA (CONT.) (CONT'D)

What do you want?

SWAT BOT

Your death.

ALEENA

Why?

SWAT BOT

Because we're ordered to.

ANOTHER ANGLE

In the shadows of the garage, Tails is sneaking up behind the bots with a small lazer gun.

ALEENA (V.O.)

Well that sounds good but I got a better idea.

ON ALEENA AND THE BOTS

ALEENA

How about, since Robotnik wants money to make his SWAT Bot factories, I'll lend you some and you can imprison me instead. How's that?

MANIC

There are others?

TAILS

Yeah. I'll be specific with you.

MANIC

I know them. What about them?

TAILS

The Oracle of Delphius told me that
they're going to get captured.

MANIC

The what of who?

TAILS

separate you and your siblings so
the prophecy would come true.

MANIC

The prophecy?

TAILS

The prophecy says that you three
will reunite with your mother and
make the Council of Four. On that
day, Robotnik's empire will fall.
Robotnik already declared war.

MANIC

Whoa, dude! But, you said that
Cyrus and Trevor will be captured?
Then what?

TAILS

I don't know. All I know is that
you and your siblings must save
them before they get robotosized.

MANIC

Robotosized?

TAILS

It makes creatures turn into
mindless robot slaves. I never
believed it, until I saw it in
action. The results were
terrifying.

Manic looked out worried.

MANIC

Ah man, I got to find my brother
and sister! Do you know where they-

ON OTHER SIDE OF DOOR

On the other side is Cyrus. He catches his balance and uses his body to hit the door back a bit harder.

SONIC (CONT'D)
Ow!

Cyrus looks behind the door to see Sonic holding his arm and side forehead in pain.

SONIC (CONT'D)
Cyrus?

CYRUS
Sorry, Sonic, but Robotnik took
your uncle.

SONIC
BUTT-nik is going to pay for it!

CYRUS
If you think your uncle is
captured, so is Farell and Lady
Windamire.

SONIC
Who and who?

CYRUS
Farell took care of Manic while you
three were separated, and Lady

ROBOTNIK
Well, well, well, if it isn't the proud owners of the hedgehogs.

CHUCK
(angrily)
What are you talking about?

ROBOTNIK
Don't mess with me, Sir Charles. I know all three of you have kept a hedgehog with you. Mind tell me where they are.

FARELL
Uh, mine said he had to leave, I haven't seen him since.

ROBOTNIK
One is willing to cooperate. What about you two? You hall have kept one, I know it. One male blue, one female pink, and one male green. Tell me about them, now!

WINDAMIRE
I will never tell!

ROBOTNIK
Thought so... Sleet!

In the corner of the room is Sleet and Dingo at the robotosizing control panel.

SLEET
I know what you're going to say,
sir.

Sleet pulls a lever.

DINGO
Uh, what was he going to say? What
was he going to say?

SLEET
Maximum of your knowledge.

ON WINDAMIRE

Lady Windamire's robotosizing chamber closes. Soon, there are lights flashing and smoke blaring. Once it stops, it opens up to show a robotosized Windamire. She steps out.

Where's yours?

FARELL
Same thing. He left me and haven't

ROBOTNIK
My forces will find them

ON SLEET

SLEET

Yes, sir.

Sleet is about to pull the lever.

DINGO

Sleet! Can I robotosize them? Huh,
can I? Can I?

Sleet sighs, then leans back.

SLEET

Go ahead.

DINGO

Goodie!

Dingo grabs the lever and pulls it.

ON CHUCK AND FARELL

Their two chambers close and light and smoke flash. Soon,
they open and a robotosized Chuck and Farell step out.

ON ROBOTNIK

ROBOTNIK

Now to get the hedgehogs.

He's got my uncle Chuck! We got to
find them.

MANIC
They also have Farell.

SONIA
And Lady Windamire.

SONIC
Come on, let's try to find them.

Before Sonic speeds away, a green bolt flashes in the middle
of them and the Oracle of Delphius appears.

ORACLE
I'm sorry, but you are too late.

He shows an image from his hands of the robotosized Chuck,
Windamire, and Farell.

SONIC
Oh no.

MANIC
Farell.

SONIA
Lady Windamire.

The Oracle closes the image.

ORACLE
It is time to start your quest.

SONIC
Quest? What quest?

MANIC
Wait, that two-tailed fox told me
about it.

SONIC
You mean Tails?

VOICE (V.O.)

That's right.

The hedgehogs turn to the voice to see Tails walking out of the shadows to them.

MANIC

Dude, where have you been? You were like there one minute, the next you were gone. How did you do that?

SONIC

I taught him that.

TAILS

That, and because I'm a fox. We're sneaky and tricky.

SONIA

One thing puzzles me, how did you get those two tails?

ORACLE

I'll fill that in, I did that to him.

SONIC

You?! You mean you were the one who gave my buddy those two tails of his.

ORACLE

That's correct.

MANIC

Anyway, you were saying about a quest.

ORACLE

You three aren't alone. You also have a mother. She's hiding somewhere in this city.

SONIA

She is? Where?

ORACLE

That's for you find out. Your quest is that one day, you will form the Council of Four to take down Robotnik's tyranny.

SONIC

So that's what you meant by four?
The three of us and our mother?

ORACLE

Precisely.

MANIC

But, how will she protect herself
from those strong bots?

TAILS

Don't worry about that, Manic, she
knows how to fight... well!

SONIC

Does she fight like you?

TAILS

A lot better than me! Once you meet
her, check out her fighting skills!
She'll blow you away!

ORACLE

There's something else you must
learn, touch your medallions.

SONIC

No problem-o.

They each touch their medallions. A GUITAR is formed around
Sonic, a KEYBOARD is formed in front of Sonia, and a DRUM SET
is formed in front of Manic!

MANIC

Whoa! Tubeular!

ORACLE

They are your power sources and
weapons. Sonic, it helps you to run
at light speed. Sonia, you can make
a tornado out of yourself. And
Manic, you have the most power
weapon, you can cause earthquakes!

SONIC

Neat-o!

SONIA

Awesome!

MANIC

Crashin'!

ORACLE

And, as obvious, they can play music! You're all good musicians. Can't wait to hear more hits from you three.

SONIC

Awesome, neither can I Orky.

ORACLE

Just remember to be true to yourselves and your powers. One day, you will eventually meet your mother, Queen Aleena, and form the Council of Four to overthrow Robotnik. Good luck, hedgehogs. The fate of Mobius is in your hands.

With that, the Oracle slowly fades away.

SONIC

So, now what?

The hedgehogs look around and they see Tails is gone, too.

SONIA

That fox is good.

MANIC

Wait! Tails told me that something will happen.

SONIC

What?

MANIC

He said that our friends, Cyrus and Trevor are going to be captured.

SONIA

You know those two, too?

SONIC

Me too.

SONIA

They must know the Oracle to keep us separate or something.

SONIC

Captured? Then we gotta save them!

Their instruments fade back to medallions. Sonic grabs their wrists and speeds away.

INT. STRANGE COMPUTER ROOM

Cyrus is at the computer room with Trevor.

CYRUS
Robotnik's still not back at his
computer room yet.

TREVOR
Well, I saw Lady Windamire
captured, but no Sonia.

INT. VENTS

We see the little bug in the vents. Sleet opens up the vent doors and sees it. His eyes widen in happiness as he picks it up.

ROBOTNIK (V.O.)
Sleet!

WIDER

ROBOTNIK
What's taking so--

Sleet quickly puts his finger between his lips to shush him, then he points at the bug.

ON ROBOTNIK

Robotnik's eyes widen.

EXT. STRANGE COMPUTER ROOM

We see outside is a whole dump.

SWAT BOT'S P.O.V.

We see a computer vision. One dot is blinking in the pile.

SWAT BOT (V.O.)
Target sighted.

INT. STRANGE COMPUTER ROOM

The wall bursts open and SWAT Bots enter.

SWAT BOT
Freeze! You are under arrest!

EXT. STREET

Aleena is still looking out using binoculars.

ALEENA'S P.O.V.

We see Aleena looking through the binoculars. Then we see Cyrus and Trevor being taken in by the SWAT Bots in the building.

ALEENA (V.O.)
(annoying voice)
Well it's about time.

The bots walk in with the prisoners.

ON ALEENA

Aleena removed her binoculars and she picks up a lazer rifle.

ALEENA
Time to rock 'n roll!

She gets up and runs to the building again.

EXT. STRANGE COMPUTER ROOM

We see that the place has a huge burning hole in it. Sonic screeches to a halt in front of it with Sonia and Manic. The three enter it.

ON SONIA

The CAM follows Sonia as the three hedgehogs walk through the place. They instantly split up and search. the CAM shakes a bit as Sonia runs through the place and follows her.

SONIC (V.O.)
Cyrus! Trevor!

MANIC (V.O.)
You two dudes here!

SONIA
It's Sonia! Where are you guys?

The CAM still follows her as she looks around. Finally, the CAM stops as she enters a room with Sonic, and arriving a second later is Manic.

SONIC
They're not here.

MANIC
Can't find them.

ANOTHER ANGLE

SONIA

They can't just disappear. What if Robotnik got them?

SONIC

Then we better get them! Come on!

Sonic speeds off.

EXT. STRANGE COMPUTER ROOM

Sonic speeds out at Super Sonic speed. Sonia and Manic jog out slowly following him. Then Sonic speeds back.

SONIC

I take it you don't have my speed, do you?

MANIC

Nope.

SONIA

Sorry, don't.

Sonic grabs their wrists and speeds off with them.

INT. PRISON CELL

Cyrus and Trevor are thrown in the cell. Outside of the cell is Robotnik.

ROBONTIK

I hope you two can explain yourselves. 'Cause if you don't, you'll be robotosized.

Robotnik walks away with an evil laugh.

CUT TO:

EXT. MAIN BUILDING - NIGHT

A blue blur speeds to the building.

CLOSE ON ENTRANCE

The blur stops and we see Sonic, Sonia, and Manic standing right in front of the door that doesn't seem to be a way to open it.

SONIC

Okay, we're here.

He tries to push on the door, but it doesn't open.

SONIC (CONT'D)
It won't open!

SONIA
We need to think of another way to enter.

ON MANIC

Manic looks on the ground and smiles. He bends over and picks up a nail.

SONIA (V.O.)
Look around and see if there are any windows.

Manic walks off frame.

ON SONIC AND SONIA

SONIA
Or try to find some underground passage way, or we could--

MANIC (V.O.)
(interrupts)
Or we could try the front.

WIDER

We see Manic standing next to an unlocked door while tossing the nail in his hand.

SONIC
Whoa, how did ya do that, bro?

MANIC
I was taught how to pick locks.

SONIA
Enough chit-chat, we got to get Cyrus and Trevor!

The three hedgehogs run inside the building leaving the door open behind them.

CUT TO:

EXT. OTHER SIDE OF BUILDING - SAME TIME

On the other side of the building, Aleena runs up to the wall and looks around. She then gets a grip on some of the holes in the wall and begins climbing up a few feet to the window.

INT. BUILDING - ON WINDOW

We see Aleena climb in through the window and inside the building.

ALEENA
Finally my children reunited. I
just better hope they stay that
way.

She stands up and runs down the hall.

INT. CORRIDOR

The hedgehog are tip-towing down the corridor.

CLOSE TO FLOOR

We see a LASER BEAM across the bottom of the floor. Sonic's feet step over it missing it. Sonia's feet step over also missing it. But Manic's foot steps right in it!

INT. COMPUTER ROOM

The SILENT ALARM is triggered on one of the computers.

Robotnik runs inside and looks at his monitors.

ROBOTNIK
What is it?

ON MONITORS

We see the hedgehogs on one monitor.

ROBOTNIK (CONT'D)
It's them! The hedgehogs!

Sleet and Dingo step behind Robotnik.

SLEET
Want us to take care of them, sir?

Robotnik turns and smiles at them.

ROBOTNIK
Please do!

CUT TO:

INT. PRISON HALLWAY

Aleena steps in the prison corridor just to see a bunch of empty cells.

CLOSE ON ALEENA

Aleena pulls back her hood and looks around. A voice is heard behind her.

VOICE (V.O.)
Aleena, it's me.

Aleena turns around. We PAN OVER to see who it was. It was Tails.

ALEENA
You certainly like to pop out of everywhere, don't ya.

TAILS
Hobby of mine.

ALEENA
I know my kids are in the building.
If they want Cyrus and Trevor out,
I got to help them.

Aleena turns around and begins to pick up a jog down the hall.

TAILS
Aleena, wait! The prophecy!

After hearing that, Aleena stops in her tracks. She slowly turns around to face Tails.

ALEENA
Oh yeah, but if Robotnik captures them, then it wont come true.

TAILS
Wrong, the Oracle says it will come true!

ALEENA
But... but... I can't bare to see them hurt or captured or... my children.

As she speaks, she slowly gets on one knee and begins sobbing.

CLOSER

Aleena puts her palm on her face as she tears. Tails places his arm around Aleena in comfort.

TAILS

It's okay. It'll be fine. The prophecy doesn't say you're not allowed to see me. I'll be with Sonic, Sonia, and Manic. We can talk about how well they're doing. We could exchange messages to each other. That way, you'll still be in touch with your children and you'll still promise the prophecy.

Aleena looks up at him. She then smiles.

ALEENA

Thanks, Tails. Wish I could adopt you as another son.

TAILS

Me too, that way, you can have four children but only suffer the pain of childbirth of three!

Aleena giggled at that remark.

TAILS (CONT'D)

So, come on and stand up. It'll be all beter someday.

Tails helps Aleena stand, even though Aleena is taller than him.

WIDER

TAILS (CONT'D)

Now that you feel better, what are you going to do?

CLOSE ON ALEENA'S FACE

Aleena SMIRKS and EVIL GRIN.

ALEENA

I'm going to kiss some robutt.

The two got up and started RUNNING.

We then FADE OUT.

END OF ACT THREE

ACT FOUR

CUT TO:

INT. PRISON HALL

We see Cyrus and Trevor in their cell. Then Sonic, Sonia, and Manic SCREECH to a halt in front of it.

SONIC

Don't worry, guys, we'll get ya out of there! Maniac!

Manic grows angry again.

MANIC

It's Manic!

SONIC

Sorry. Can you pick this lock?

MANIC

Sure thing, bro.

Manic pulls out that nail from his fanny pack, picks the cell lock, and opens it.

MANIC (CONT'D)

Nothing to it.

Sonia runs in.

SONIA

Come on, guys!

TREVOR

(dumb voice)

Ooh, you're pretty.

ON SONIA

Sonia smiles.

SONIA

Thanks, I--

Sonia then grows wide-eyed.

FAST ZOOM IN on Sonia's pupil.

As the CAM moves into Sonia's eye, we see a blurry faint image of the past. We see Lady Windamire being taken away. Then Dingo looks at Sonia.

DINGO

Ooh, pretty.

FAST ZOOM OUT from Sonia's eye.

Now we're back to Sonia standing inside the cell.

SONIA

Uh oh. You tried to kidnap
Windamire?!

ON CYRUS AND TREVOR

CYRUS

Ah man! Sleet, she found out!

Sleet's voice is heard somewhere.

SLEET (V.O.)

Dingo! You idiot! You spoiled the
surprise attack!

A laser is shot from somewhere and it hits both Cyrus and
Trevor. Cyrus and Trevor morph into Dingo!

ON HEDGEHOGS

The hedgehogs gasp!

SONIC

Whoa! How did he do that?

Sleet jumps and LANDS right behind the hedgehogs.

SLEET

He can do a lot of stuff I make him
do. Like turn into a television
snake!

He presses his remote and a laser shoots at Dingo.

ON DINGO

Dingo turns into a snake with a TV as his tail.

WIDER

Dingo COILS the hedgehogs preventing them from escape.

SLEET (CONT'D)

Now watch this!

Sleet presses on his remote again and the laser hits the TV
attached to Dingo.

ON TV

On the screen, we see Cyrus and Trevor in two separate robotosizers.

SLEET (CONT'D)
Give yourselves up and we'll spare
them.

ON SONIC

Sonic struggles to get out of Dingo's grip.

SONIC
Who are you two anyway?

ON SLEET

SLEET
Oh, I'm sorry, we never met before,
have we? My name is Sleet. This is
my counterpart, Dingo.

ON HEDGEHOGS AND DINGO

Dingo stupidly WAVES to the hedgehogs in a "hello" matter.

ON SLEET

SLEET (CONT'D)
We work for Doctor Robotnik, our
supreme ruler! We want your
surrender and we promise we won't
hurt your friends. What do you say.

ON MANIC

Manic smiles evilly.

MANIC
I say this!

WIDER

We hear a POKE sound, and Dingo instantly JUMPS SKY HIGH
releasing the hedgehog.

DINGO
Yeow!

CLOSE ON MANIC

Manic holds out his lock-picking nail in between his fingers.

WIDER

SONIC
Smooth work, bro. Now let's grab
our socks and hit the rocks!

With that, Sonic grabs Sonia and Manic's wrists and speeds
away out of the dungeon place.

ANOTHER ANGLE

Sleet chases them.

SLEET
Come back here!

Before Sleet moved any further, Dingo FALLS on him.

SLEET (CONT'D)
Get off of me, you moron!

DINGO
But it hurt!

SLEET
Not as much as what I'll do to you
if you don't get off me!

INT. CORRIDOR

The hedgehogs speed down when they hear a voice over the
intercom.

ALEENA (V.O.)
(over intercom)
My children. Sonic, Sonia, Manic.

After hearing that, Sonic SCRATCHES to a haul.

SONIA
Mother?

ALEENA (V.O.)
(over intercom)
Yeah, it's me. My name is Queen
Aleena Hedgehog.

MANIC
Where are you?

INT. INTERCOM ROOM

Aleena sits in the intercom room with an intercom in one hand and a laser gun in the other. She sits in the chair kind of teenager-like with her feet on the desk and leaning back.

ALEENA

Well, if I'm speaking from an
intercom, I'm in the intercom room.

INT. MAIN ROOM

Robotnik perks up his head hearing Aleena on the intercom.

ALEENA (V.O.)

(over intercom)

But you can't come to me. Your main
focus is Cyrus and Trevor.

INT. PRISON HALL

Sleet and Dingo are still lying on the ground (Dingo is still on top of Sleet) and they're looking toward the ceiling where an intercom speaker is.

ALEENA (V.O.)

(over intercom)

If they're not in the Sleet and
Dingo mock-up, they're in the other
prison station. Get there.
But before you do, I want you to
remember this.

INT. HALL

SONIC

Sure, what?

ALEENA (V.O.)

(over intercom)

Cyrus and Trevor will tell you
something that I told them. Once
you do the obvious, look carefully
around the front and you may see
me.

MANIC

Sure, mom. We will.

Sonic SCRATCHES his head.

INT INTERCOM ROOM

ALEENA
You'll know what I mean on second
notice. But get to Cyrus and Trevor
now!

INT. HALL

SONIC
Let's roll!

Sonic grabs Sonia and Manic's wrists and speeds
off. The CAM stays in the same location and Aleena is still
heard.

ALEENA (V.O.)
(over intercom)
Oh, Sheriff Robotnik.

INT. MAIN HALL

Robotnik looks up at the intercoms angrily.

ALEENA (V.O.)
(over intercom)
Can you hear me?

ROBOTNIK
Yeah, I hear you.

ALEENA (V.O.)
(over intercom)
Don't even bother trying to get
me. you're no match for my
children. I may be old,
but I'm tricky like Tails is.

ROBOTNIK
You know that annoying two-tailed
freak?!

INT. HALL

We see Sleet and Dingo running down the halls.

SLEET
The intercom room is up ahead.

ALEENA (V.O.)
(over intercom)
Of course I know him.

INT. INTERCOM ROOM

CLOSE ON ALEENA'S FACE

Aleena has a look a bit like that of an EVIL VILLAIN with a SLYISH GRIN as the intercom is close to her mouth. All you can see is her eyes down to her mouth, nothing more.

ALEENA
(devil-like voice)
I know a lot about him. I know a
lot about you, too. I know a bunch
about my children. You could
probably say I know everything.
(cackles)

INT. HALL

Sleet and Dingo tip-toe to the door that says "INTERCOM ROOM."

ALEENA (V.O.)
(over intercom)
You can't beat the hedgehogs. The
prophecy will be fulfilled.
And another thing.
(pause)

ON DOOR

Sleet and Dingo are standing in front of it.

ALEENA (V.O.) (CONT'D)
(over intercom)
You will never find me or get to
me!

INT. INTERCOM ROOM

Sleet and Dingo burst in the intercom room. Upon entering, their faces grow with horror.

THEIR P.O.V.

All they see is an empty chair and an intercom on the desk.

ON SLEET AND DINGO
They look terrified.

ALEENA (V.O.)
Aww, whatsa mattah? Did I trick
you?

Sleet and Dingo turn their heads.

ANOTHER ANGLE

They see Aleena's evil-looking face on large security screen's all mixed to show one image.

ALEENA

See what I mean?

Sleet SHOOTs the screens and half bust. Aleena's eyes CREEP to the other screens.

ALEENA (CONT'D)

Give it up! You can't win! If you want me, look over on the yellow lined hallway.

WIDER

Sleet and Dingo look to the hallway and they go wide-eyed.

THEIR P.O.V.

We see Aleena leaning on the wall waving at them. She has a laser gun in one hand, and an intercom in the other.

WIDER

SLEET

Get her!

They run, but are instantly cut off by a CLOSING METAL DOOR. The door closes in front of Sleet and Dingo, preventing them from getting to Aleena. There is just one small glass window in the door.

CLOSER

We see Aleena stick her face through the glass window and smiles at Sleet and Dingo evilly. Then she GIGGLES. After that, she turns and runs away.

INT. PRISON HALL

Sonic, Sonia, and Manic SCREECH to a halt right in front of a cell door. They look in.

THEIR P.O.V.

We see Cyrus and Trevor are in the cell.

CYRUS

About time!

EXT. CELL

Sonic faces Manic and steps back.

SONIC
Manic, do the honors, if you
please.

Manic walks to the cell and picks the lock with his nail.

ANOTHER ANGLE

The cell door opens and Cyrus and Trevor run out.

TREVOR
Thank you!

SONIA
Save the thanks for later.
Let's get out of here!

Sonic grabs onto Sonia and Manic's wrists. Manic grabs onto
Cyrus's wrist and Sonia grabs Trevor's wrist. Sonic feet
blurred and they ZIPPED OFF FRAME.

INT. MAIN CORRIDOR

Robotnik is walking through his corridor.

ALEENA (V.O.)
Hey, Robotnik!

Robotnik stops and turns around in fear.

ROBOTNIK'S P.O.V.

Aleena is standing at the end of the corridor aiming her
laser gun at him.

ALEENA
How dare you take over
Mobotropolis!

She FIRES the lazer!

WIDER

The lazer misses Robotnik. Robotnik PIVOTS and runs the
opposite direction.

ON ALEENA

Aleena chases him, eyes full of rage.

SERIES OF SHOTS

Aleena chases Robotnik through the hallway and trying to fire her lazer gun at him. (S.B. NOTE: This is from the very beginning of the episode!)

INT. INTERCOM ROOM

Sleet and Dingo PRY open the doors.

SLEET
Come on, you moron!

Sleet runs off frame. PAN DOWN to see that Dingo is a JACK that's bracing the door open.

DINGO
Uh, Sleet!

We hear Sleet GROWL. Then a lazer hits Dingo and morphs him back to normal. Dingo gets up and follows Sleet.

INT. MAIN ROOM

Sleet and Dingo run in the room. Later, Robotnik enters the room panting.

SLEET
Your greatness, what are you doing here?

ROBOTNIK
It's Aleena! She's--

Robotnik turns his head and sees that Aleena's gone.

DINGO
If she's not here. What about the other hedgehogs?

SLEET
And the prisoners?

CLOSE ON ROBOTNIK

Robotnik growls angrily.

ROBOTNIK
I'll get those hedgehogs one day!... ONE DAY!

CUT TO:

EXT. MAIN BUILDING

ROBOTNIK (V.O.)
ONE DAY!!!

As he yells it, the hedgehog, Cyrus and Trevor ZIP on and off frame! We can hear their LAUGHING as they speed.

ON THE HEDGEHOGS AND CHARACTERS

The background is a blur as they speed.

SONIC
(calling)
Hey! Guys! Mom said that you would
tell us something.

CYRUS
(calling back)
Just head down this route
and you'll see it.

WIPE TO:

EXT. UNDERGROUND BASE - NIGHT

Sonic, Sonia, and Manic are standing behind their UNDERGROUND BASE. Next to it is the UNDERGROUND VAN, Sonia's MOTORCYCLE and Manic's HOVERBOARD. Cyrus and Trevor stand there as they present them.

CYRUS
Your mom told us to give these to
you once you three reunited.

MANIC
Radical! We have a cool happenin'
dude for a mom!

TREVOR
Enjoy your gifts and home. We'll be
seeing ya. Bye.

Cyrus and Trevor walk off frame.

ON HEDGEHOGS

Sonic is looking at the van happily.

SONIC
So, now what?

SONIA (V.O.)
Oh my gosh!

ON SONIA

Sonia is looking at a picture as she stands next to her motorcycle. Sonic and Manic stand next to Sonia to see the picture.

SONIC
What is it, sis?

SONIA
Don't I look cute?

ON PICTURE

We see it's a picture of Aleena holding onto her three 1-year-olds on her arms. Each hedgehog is wearing diapers.

ON HEDGEHOGS

Their faces grow with "Aww".

SONIC
That must be mom.

Sonic drops a tear, but still holds his smile.

MANIC
Think of it, we'll be with her
someday.

SONIC
And overthrow Robotnik! But until
then.

CLOSER

We see all three hedgehogs in closer view.

SONIC (CONT.) (CONT'D)
My sister, Sonia... my brother,
Manic...

SONIA
Sonic...

SONIC
We'll be one happy family.

MANIC
Group hug!

The three engage in a GROUP HUG. Sonia KISSES Sonic and Manic on the foreheads.

SONIA
I love you guys.

SONIC / MANIC
I love you, too.

ZOOM OUT

We see most of the Underground Base while the hedgehogs hug. To the side, we see two silhouettes.

ANOTHER ANGLE

We see Tails and Aleena watching the hedgehogs with tears in their eyes.

ALEENA (V.O.)
My children have reunited.

DISSOLVE TO.

PAN TO SKY

We see the three colored stars in the sky, one blue, one pink, and one green.

ALEENA (V.O.) (CONT'D)
As long as they're happy, I am
happy. Someday, we'll all reunite
and take down Robotnik. (pause)
And I was wrong... we still are the
happiest family in Mobotropolis.

We hear the music to the lullaby that Aleena sung to them in the background.

ALEENA (V.O.) (CONT'D)
Sonic, Sonia, Manic... I love you.

Upon those words, we FADE OUT.

THE END
